We need Uber in the state of SC. Stop the politics and allow it.

Subject: Uber rides

Dear PSC,

Uber has been the best thing to happen to Columbia. It is the only reliable ride service in this city. I have been stranded waiting for cabs in 5 points, Russell house and my own home that caused me to put myself in danger by having to walk to my destination. It would be a shame to see you get rid of uber and I really hope you reconsider that decision.

Sincerely,
Frequent uber user Rachel B.

Subject: UBER

Have you ridden in a cab in Greenville lately? The ones I have been in are disgusting. I have used Uber in other cities and had great results. I think this decision should be re-visited.

The UBER service single handedly does more than anything else to keep drunk drivers off the road. I do not see anyway we are "safer" by banning UBER. Please lift the ban.
